

REMARKS

Claims 1-21 were originally filed in the patent application and have been amended herein. None of the claims have been narrowed. Accordingly, claims 1-21 are currently pending in the present application. Examination of these claims is respectfully requested.

This amendment also makes minor corrections to the specification. No new matter has been added by this preliminary amendment. If the Examiner should have any questions or feel that a discussion would advance the prosecution, Applicant invites the Examiner to contact Applicant's attorney at the telephone number listed below. No fee is believed due in connection with this filing. However, should one be deemed due, the Commissioner is hereby authorized to deduct such fee from Deposit Account No. 50-1065.

Respectfully submitted,
